Logging in

An email and password will be required in order to log into the application. This will be securely transferred to the database and authenticated.

1. Enter your email address associated with your account, if you do not have an account please click "Sign up" and continue to 3, Signing up.
2. Enter your password.
3. Click the "eye" if you want to see your password.

3 Signing up

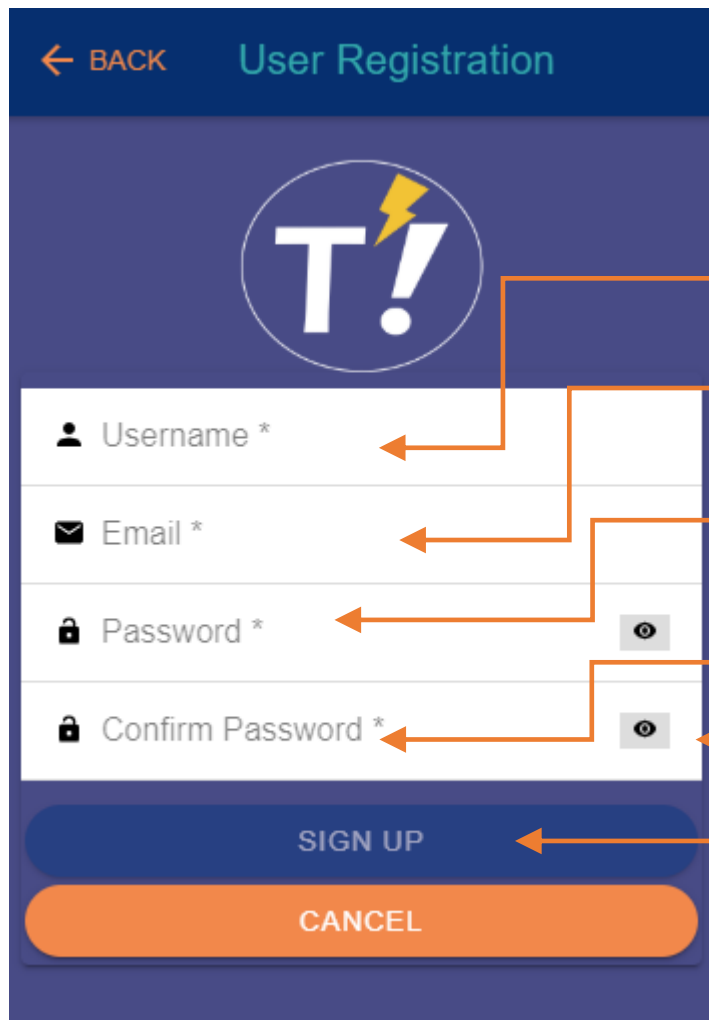

A form with two input fields: "Email *" with an envelope icon and "Password *" with a lock icon and a toggle eye icon. Below the fields are two buttons: "LOGIN" in a dark blue rounded rectangle and "SIGN UP" in an orange rounded rectangle. An orange arrow points from the "SIGN UP" button to the first step of the instructions.

Signing up

As a new user you will need to create an account.

1. From the log in page click "Sign Up".

A "User Registration" form with a header bar containing a back arrow and the text "User Registration". Below the header is the T! logo. The form contains four input fields: "Username *" with a person icon, "Email *" with an envelope icon, "Password *" with a lock icon and a toggle eye icon, and "Confirm Password *" with a lock icon and a toggle eye icon. At the bottom are two buttons: "SIGN UP" in a dark blue rounded rectangle and "CANCEL" in an orange rounded rectangle. Orange arrows point from each of the seven steps of the instructions to the corresponding form elements.

2. Enter your user name that will be used in the application to identify you to others.
3. Enter your email that will be used for registration.
4. Enter a password. Must be longer then 6 alpha numeric characters.
5. Confirm password.
6. Click the "eye" if you want to see your password.
7. Click "Sign Up" to sign up.

6 Main Page

6.1 Navigating the Main Page

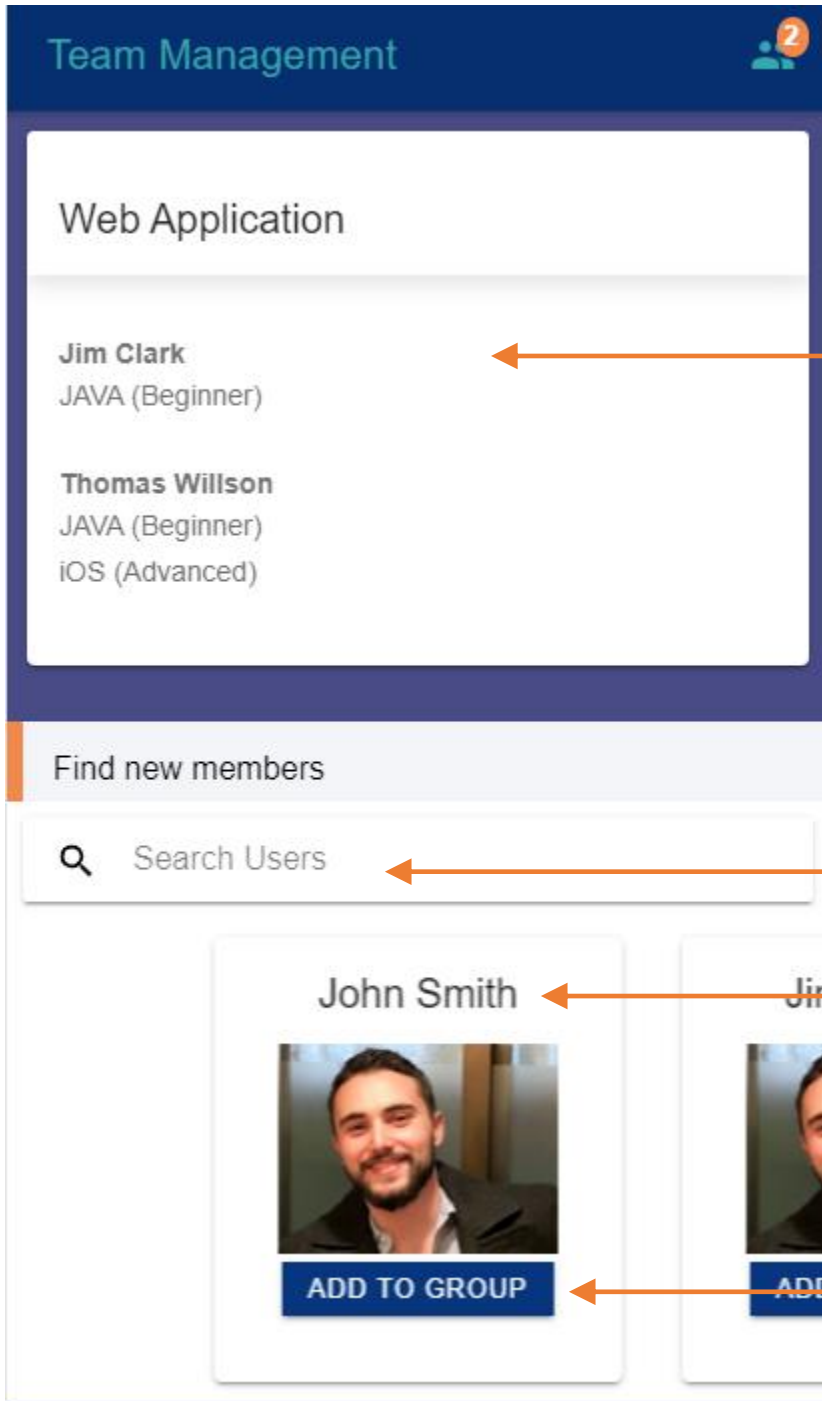

- Side menu to navigate to profile and log out of application.
- Displays current teams that you are part of.
- Create a new group button allows you to create a new group and recruit members.

6.2 Viewing groups from the Main page

- Clicking a group on the home page brings up the group details page.

7 Group Details

The screenshot displays the 'Team Management' interface. At the top, a dark blue header contains the title 'Team Management' and a user icon with a red badge showing the number '2'. Below the header, a white box titled 'Web Application' lists current group members: Jim Clark (JAVA (Beginner)) and Thomas Willson (JAVA (Beginner), iOS (Advanced)). Below this, a light blue bar labeled 'Find new members' contains a search bar with a magnifying glass icon and the text 'Search Users'. At the bottom, two user cards are shown. The first card for 'John Smith' includes a profile picture and a blue 'ADD TO GROUP' button. The second card for 'Jim' is partially visible, showing a profile picture and a blue 'ADD' button. Orange arrows point from descriptive text to specific UI elements: from the member count badge to the text 'Displays number of members in the group'; from the member list to 'Displays Current Group members'; from the search bar to 'Search for additional members'; from the user names to 'Click user to view member details'; and from the 'ADD TO GROUP' button to 'Click add to group to add the user to the group'.

8 Group Creation

8.1 Creating a group

1. From the Main page click on the “plus” symbol.

The screenshot shows the 'GroupCreation' form. It has a dark blue header with the title 'GroupCreation'. The form contains several input fields: 'Group Name' (with a person icon), 'Description' (with an envelope icon), and 'Skills'. Below the 'Skills' field is a table with two columns: 'Skill' and 'Level'. At the bottom of the form are two buttons: 'ADD GROUP' (dark blue) and 'CANCEL' (orange). Numbered arrows point to each of these elements: 1 points to the plus icon on the main page, 2 points to the 'Group Name' field, 3 points to the 'Description' field, 4 points to the 'Skills' field, 5 points to the 'Skill' column header, and 6 points to the 'ADD GROUP' button.

2. Enter your group name.
3. Enter your group description.
4. Enter the skills your group requires.
5. Select skills from picker.
6. Click add group.
