1 Getting Started

1.2 Downloading the App

Teamerizer is available in both the Google Play and the Apple App store.

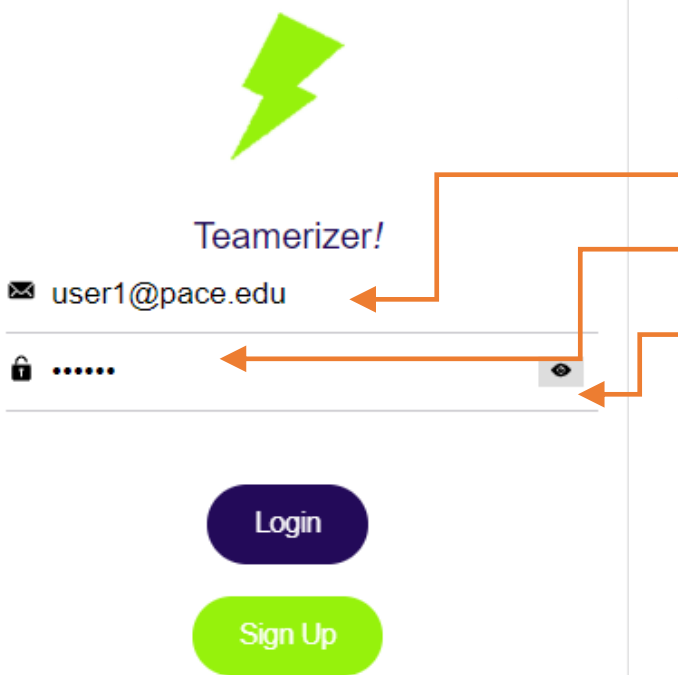

1. Open the applicable app store on your device and search for “Teamerizer”.
2. Download Teamerizer.
3. Open the Teamerizer app on your device.

2 Logging in

Logging in

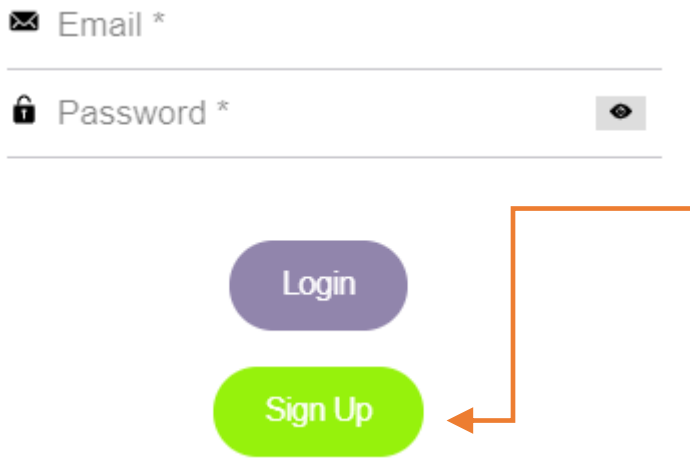

An email and password will be required in order to log into the application. This will be securely transferred to the database and authenticated.

1. Enter your email address associated with your account, if you do not have an account please click “Sign up” and continue to 3, Signing up.
2. Enter your password.
3. Click the “eye” if you want to see your password.

The screenshot shows the Teamerizer login interface. At the top is a dark blue header bar. Below it is a light gray area containing a large green lightning bolt icon and the text "Teamerizer!". The login form consists of two input fields: the first is for an email address, with the example "user1@pace.edu" and an envelope icon; the second is for a password, shown as "....." with a lock icon and a toggle "eye" icon. Below the input fields are two buttons: a dark blue "Login" button and a green "Sign Up" button. Orange arrows point from the numbered list on the right to the corresponding fields: arrow 1 points to the email field, arrow 2 points to the password field, and arrow 3 points to the "eye" toggle icon.

3 Signing up

A form for user authentication. It contains two input fields: 'Email *' with an envelope icon and 'Password *' with a lock icon and a toggle eye icon. Below the fields are two buttons: a purple 'Login' button and a green 'Sign Up' button. An orange arrow points from the 'Sign Up' button to the right, towards the 'Signing up' section.

Signing up

As a new user you will need to create an account.

1. From the log in page click "Sign Up".

User Registration

A registration form with four input fields: 'Username *' with a person icon, 'Email *' with an envelope icon, 'Password *' with a lock icon and a toggle eye icon, and 'Confirm Password *' with a lock icon and a toggle eye icon. Below the fields are two buttons: a purple 'Sign up' button and a green 'Cancel' button. Orange arrows point from the form fields to the numbered list on the right.

2. Enter your user name that will be used in the application to identify you to others.
3. Enter your email that will be used for registration.
4. Enter a password. Must be longer then 6 alpha numeric characters.
5. Confirm password.
6. Click the "eye" if you want to see your password.

7. Click “Sign Up” to sign up.

 Team Name

 Description

Skills

Skill	Level	
C#	Advanced	

Users your team matched with:

User 11 11 (C#)

User 5 Five (C#)

User4 User4 (C#)

User2 User2 (C#, C#)

This page displays members who were matched with the skills that you selected during group creation.

- Click on a member to see their members detail page.

8.3 Members details page

The members details page will display members name, skills and skill level

The image shows a user profile card for 'User 5 Five'. At the top is a circular profile picture of a man. Below the picture is the name 'User 5 Five'. Underneath the name, there is a section titled 'User Name:' followed by 'User 5'. Below that is a section titled 'Skills(Levels):' followed by a list of skills: 'C#(Advanced)', 'JAVA(Advanced)', and 'Python(Beginner)'. Below the skills is a section titled 'Interests:' followed by the text 'I like coding in Java and in my free time and learning Python'. Below the interests is a section titled 'Other teams member is in:' followed by two entries: 'Chat Bot Project' and 'Website Development Project'. Each entry has a small icon of two people to its left. Below the 'Other teams member is in:' section, it says 'Admin: User2 User2'. At the bottom of the card are two buttons: a dark blue button labeled 'INVITE TO GROUP' and a green button labeled 'BACK'.

- Member name.

- Member skill level.

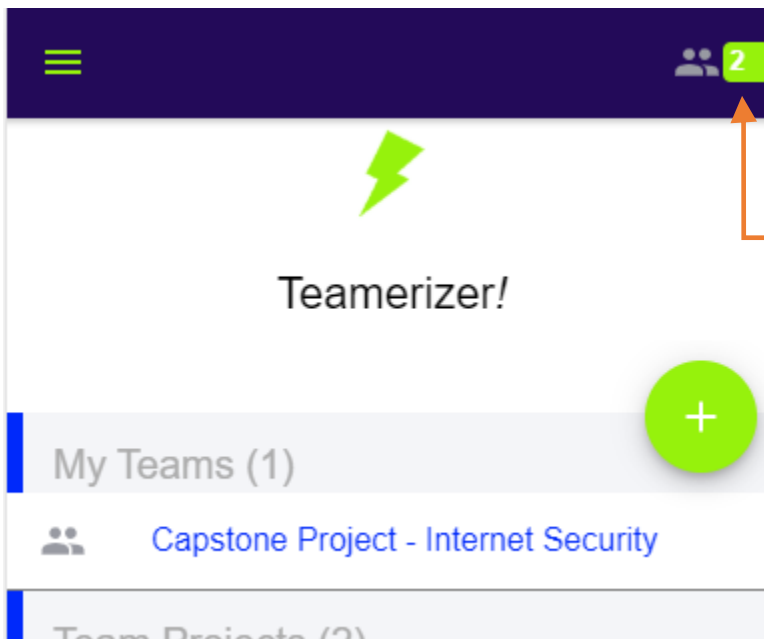

- Other groups the member is already in.

- Invite to group sends a request to the user for the group.

9 Pending Invites Page

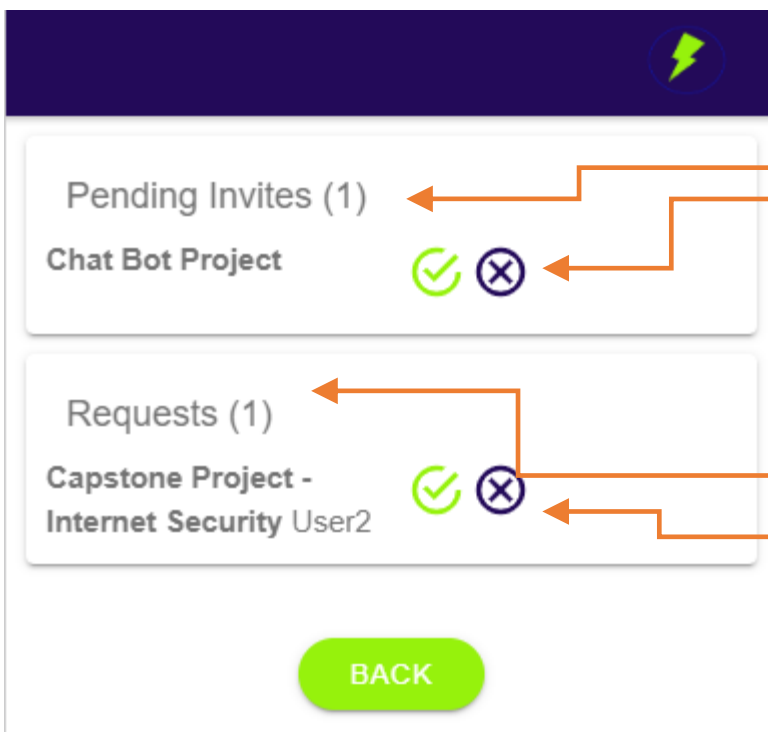

If a user has requested to be part of a group or was invited to a group, there are notifications built into the application.
