Sprint 2 Retrospective

Date	04 Nov 2019
Participants	John Pelliccia Vijay g Ninad Chemburkar jim Awesome Robert Harkov John Madias

Background

Retrospective

Start doing	Stop doing	Keep doing
• Getting user stories and task's earlier in the week • Correctly identify user stories vs task's • Correctly putting in time estimates into jira	• Completing many stories later in the sprint • Not logging time in a timely manner	• Communication with team about status of your story
